LANGUAGES

Spanish NATIVE

English B1

Industrial Designer with a Master's in Urban Design, specialized in UX/UI and branding. I design clear, accessible web and mobile products: I research with users, define information architecture and flows, prototype, and build design systems alongside development and product teams. Previously, I led brand, communications, and creative teams.

EXPERIENCE

2025 PRESENT

UX/UI Designer

LinkTIC | Bogotá, Colombia

- Design accessible web and mobile interfaces across 10+ projects in government, education, finance, and internal tools.
- Create, maintain, and scale design systems, for single products or shared across projects.
- Research and test with users when projects allow; prototype in Figma and in code with AI.
- Work with developers, product owners, and designers, and validate proposals with clients.

2023
2024

Marketing Coordinator

VR Ingeniería | Bogotá, Colombia

- Led a creative team of 4–6 people and managed agencies and vendors.
- Advertising concepts for events and social media; brand management.

Senior Designer · Content Creator

VR Ingeniería | Bogotá, Colombia

- Redesigned the corporate website's UX/UI (live) and coordinated its development.
- Photography, image editing, and 3D modeling.

2020
2023
